LANGUAGES

- English (C1)
TOEIC: 900/990
- German (B1)

SKILLS

- Python and C
- AGILE project development and management with Jira and Git
- OOP : C++ and C#
- 3D Engine (Unity and Unreal)
- Microsoft Office Excel, Word and Powerpoint
- Web development
- Databases (mainly SQL)

STRENGTHS

- Adaptable
- Organized
- Methodical

INTERESTS

- Music : 12 years of piano, 5 years of bass playing in bands
- New technologies
- Audiovisual production

Kévin Petit

Currently a 3rd year BUT computer science student at IUT d'Orsay in the software development course, I am open to work-study opportunities from September 2025 to continue my studies in a professional setting.

EDUCATION

BUT in computer science – 3rd year (since September 2024)
IUT d'Orsay – Université Paris-Saclay (91)

Integration of the IT BUT in its 3rd year in anticipation of continuing studies in a master's degree

Study abroad (January - May 2024)
Université du Québec à Chicoutimi, Canada

Studies carried out as part of my 4th semester at EPITA

“Programme court de premier cycle en informatique pour étudiants en séjour d'études”

Computer engineering school (Sept. 2022 - June 2024)
EPITA Villejuif (92)

Two years of integrated preparatory class validated

Baccalauréat général (June 2022)
Lycée René Cassin, Arpajon (91)

“Mention très bien” : specialties in mathematics and computer science (NSI) + *expert mathematics* option

PROJECTS

- Unity 3D video game made with 9 classmates using AGILE
- C software capable of solving sudoku grid images using an OCR algorithm (project carried out by 4 people)
- Unity 2D video game with two-player online Photon multiplayer
- Group prototyping of 3D Unreal Engine games: Breakout, Bomberman and Space Shooter (Galaga style)
- Web development in HTML/CSS with SQL databases

INTERNSHIPS

Worker internship – Warehouse (July - August 2024)
L-Acoustics Warehouse, Brétigny (91)

- Working as a team in the shipping department to ensure the processing of international orders for audio equipment mainly designed for concert venues

CERTIFICATES

“Prévention et secours civiques de niveau 1” (December 2018)
Civic First Aid Skills Certificate
